

## Financial Agreement

One-time enrollment fee	\$ 500
Monthly fee	<u>\$1500</u>
<b>Due upon admission to program</b>	<b>\$2000****</b>

\*\*\*Due to Changing Hearts being a non-profit organization under the umbrella of Helps International Ministries (HIM), our fees are considerably less than other boarding schools, which average \$4000-5500 a month. *Our deepest desire is to help as many girls as possible*, and not to become a financial burden for you and your family. Please do not let the fee prevent you from seeking placement for your daughter. Call and ask for a phone appointment with Debbie West, Changing Hearts Administrator if you have a financial need.

The monthly fee covers the cost of room and board, academic expenses, staff and equine therapy.

The monthly fee does NOT include medical and dental care, prescriptions, clothing and the counseling fees.

We, the parents of \_\_\_\_\_, have prayerfully come to an agreement between ourselves, God, and Changing Hearts. We agree to a monthly fee of \$\_\_\_\_\_. We agree to pay this the first of every month as long as our child is enrolled in Changing Hearts.

We have also prayerfully considered how long we expect our daughter to be in the care of Changing Hearts. We believe she will at Changing Hearts:

- until she ages out.
- until God heals her and she can return home.
- for \_\_\_\_\_ (number of) months, whether God chooses to heal her or not.
